

the Kings | **LEARNING CHRISTIAN ACADEMY**

August 20, 2021

Dear KLCA Parents,

Glory to God! We have ended the term successfully and we bless the Lord for good health, provision, and protection that He has lavished on us.

Honestly He has faithfully sustained us. In this time of challenges and uncertainties, let us remember His Word in **John 16:33-34**, "These things I have spoken unto you, that in Me ye might have peace. In the world ye shall have tribulation: but be of good cheer; I have overcome the world."

Academics:

We have registered a fairly good academic progress among the students as many have exceeded their termly goals. However, some students have not progressed as they should have because of the many challenges that have come with virtual individualized learning. Nonetheless we give God the glory for the opportunity of school continuity.

Communication:

Communication is vital in accomplishing our goals and objectives. At any point in this Christian education journey, don't hesitate to discuss your Child's development with us. We are engaged in a program that needs your fullest understanding and cooperation for the benefit of your child.

Recommendation

Your child is a vessel waiting to be filled. We are all well versed with the dangers that our children are exposed to on the internet. We recommend that you keep them off the internet since they are not engaged with school work while they are on holiday.

Praying you will have a great and blessed holiday with the children.
