

**Ref: 2 Term 3, 2021**

Dear Kingdom Parents,

Greetings in the magnificent name of our Lord Jesus Christ.

We thank the Lord for how far He has brought us as a school. From waiting for our Paces, to steadily progressing students. Most of our students are now moving onto their 3rd set and we believe that many of them will accomplish their termly goals. We would therefore like to appreciate you all for the effort and great involvement in supporting the children as they continue to learn at home.

As Parents and guardians however, let us be vigilant watchmen over our young people in this generation. Let's help them know God, know where they come from and where they are going, and not be conformed to this world nor be oppressed by the evil works of the devil. We would like to bring to your attention what we have noticed as we engage the children online. Most of their profile pictures and statuses have ungodly sometimes demonic images. We appeal to you to keep checking and educate them on the meanings and spiritual connotations of the pictures they identify with.

#### **Academic Enrollments:**

Please note that our 2022 enrollment process for all classes is ongoing. Priority admissions are to siblings of our current students and thereafter first come first serve basis will apply. For each student referred and fully enrolled there is a 10% discount on tuition for your child for Term I 2022. For further information and current fees structure, please check our website. Note, there are limited spaces available especially in our elementary section.

#### **Staff Fellowship**

PROVERBS 27:17As iron sharpens iron, so one man sharpens another. Thank you for letting us take time off to sharpen one another during our staff fellowship. We spent time together as a team worshipping, praying, admonishing each other, sharing Gods word and praying for the needs of our school community.
